## Profile

I am passionate to be a UI/UX designer. I possess a strong foundation in design principles and front-end skills, coupled with a keen eye for designing enabling me to create visually appealing and user-friendly designs.

## Projects

**Goodreads:** Revamped the outdated Goodreads website, giving it a modern, user-friendly design. [Demo](#)

**Coffee hut:** Designed for selling coffee machine. [Demo](#)

**Venugram:** Designed and developed web pages with HTML, CSS, JS, Bootstrap4 as per requirements of client. [Demo](#)

**Concert ticket booking:** This is my university project in retrieval of data(DBMS). It's an online ticket reservation system for concerts.

## Internship

Front-end web development at Hamdan Infocom, October 2022.

## Courses

Practical approach for Designing Web AICSES Cyber Security Solution Pvt Ltd July 2022.
